AAMEEN SUMA AAMEEN

Paish lafz

Admi zindagi ke tamam marahel waqt ke chohtey chohtey tukron mein tey karta hey, masalan eik second ka koi fraction. Admi ki zindagi khuaa so (100) bars ki kyon na ho lekin woh inhi lamhoon mein taqseem hoti rehti hey. Ghour talab amer yeh yeh ke admi apni zindagi baser karney ke liye zehn mein waqt key yeh tukrey jorta hey aur inhi tukron se kam leta hey. Inhi tukron ke girdaab mein jin ko hum sochna ya fiker karna kehtey hain, hum ya tu eik turkey se aagey dosrey turkey par aa jatey hain ya waqt ke es turkey se palat tey hain.

Esko es tarhan samajhna chahihey ke admi abhi sochta hey ke mein khana khaon ga lekin eis ke peat mein geraani hey es liye woh tark kardeta hey. Kab tak woh es tark par qaim rahe ga es ke barey mein esey kuch nahi maloom. Alaa haza al qayas ifkar hi es ki zindagi ke ajzaa e tarkeebi hain, jo esey naakam ya kaamyab banatey hain. Abhi woh eik iraada karta hey phir tark kardey ta hey, chahe mintoon mein tark karta hey, chand

ghantoon mein tark karta hey ya maheenon aur saloon mein tark karta hey.

Batana ye maqsood hey ke tark admi ki zindagi ka juzv e azam hey kyon ke wo beltabaa (naturally) aram talab waqey hooa hey. Bohat see batein hey jin ko admi doshwari, mushkil, beemari, bezaari, be-amali, be cheni wagera wagerah kehta hey. In kehfiyatoon ke belmakaabil eik aisi kefiyat hey jeis ka naam woh sukoon rakhta hey. Yeh nahi kaha ja sakta ke yeh sab kehfiyetein haqiqi hain. Dar haqiqat in mein se zayada tar kefiyat mafrozaat (fictions) per mabni hain.

Insaan ke dimaagh ki saakht (structure) hi aisey hey ke who har asaani ki taraf dorta hey aur har mehnat se ji churata hey. zahir hey ke ye do simtein hain aur en simtoon mein admi hamesha ifkaar ke zariye safar karta hey. es ki her harkat ka mamba (source) en simtoon mein se eik simt hey. Hota yeh hey ke abhi hum ne eik tadbeer (planning) ki phir us ki tanzeem ki yahan tak ke woh mukumal ho gayee us ke simt bhi sahi thi lekin sirf dus kadam chalney ke baad hamarey zehn mein tabdeli waqey hoi, tabdeli waqey hotey hi ifkaar (thoughts) ka rukh badal gaya. Nateejey mein simt bhi tabdeel ho gaye chonan chey hum jes manzil ki tarf rawana thay woh ghyeb (hide) mein challi gayee. Humarey paas baqi kya raha ____? Tatolna or tatol kar kadam

uthana. wazhey rahey ke yeh tazkarah yakeen aur shak ki darmiyani raahon ka tha.

Humein ye nahe bholna chaiyey ke insaan ki bina wehum aur yakeen par hey. Mazhab ki estalah mein es hi ko shak aur imaan kaha gaya hey. Allah shak ko jaga deney se mana farmatey hain aur zehn mein yakeen ko puktha karney ka hokum detey hain. Quran pak mein irshad hey “LAA RAIB” hey yeH kitaab Aur es ko hidayat deti hey jes ka yakeen ghyeb par jes shak ko allah ne mamnoo karaar diya hey yeh wohi shak hey jeis se Adam (A. S) ko baz rehna ka hokum diya gaya tha, Bel aakhir sheytan ney behka kar yeh shak daldiya jes ke sabab adam ko jannat se nikala gaya. esi mukaam se adam ke dimag mein do simtoon ka taayun hoa. Yani SHAK aur YAKEEN.

Bayan kar da haqayeq ki roshni mein insaan ke dimag ka mehvar yakeen aur shak per hai yehi woh shak aur yakeen hey jo dimaghi khalyon mein hamma waqt amal karta rehta hey. Jeis kadr shak zayadt hogi es hi kadr dimaghi khalyon mein toot phoot waqey hogi. Yeh batana bohat zaroori hey ke yeh hi woh dimaghi khaliye hain jin ke zeir e asar tamam asaab kaam karte hain aur asab ki tehrikat hi insani zindagi hey.

Keisi cheez per insan ka yakeen karna itna hi mushkil hey jitna fareib ko jothlana. misall es ki yeh hey ke insan jo kuch hey woh

khud ko es ke khilaf peish karta hey. Woh hamesha apni kamzoriyaan chupata hey aur in ki jaga mafroza khoobiyam bayan karta hey jo es ke andar mojood nahin heyin. Mushkill sab se bari yeh hey ke woh jes muashrey mein tarbiyat pa kar jawan hoa hey woh muashra es ka aqeeda ban jata hey, eis ka zehn es kabil nahi rehta ke es aqeeda ka tajziya kar sake. Woh aqeeda yakeen ka mukam hasel karleta hey halan ke woh mehaz fareib hey. Sab se bari wajah es ki yahi hey ke admi jo kuch kudh ko zaahir karta hey aisa hey nahin balke es ke ber aks hey.

Eis keism ki zindagi guzarney mein esey bohat mushkilat peish aati hain. aisey mushkilat jin ka hal admi ke pass nahin hey, es zindagi mein kadm kadm par usay khatra mehsoos hota hey ke ei ka amal talf ho jaye ga aur be-natija sabit ho ga. Baaz auqat admi yeh samhajhney lagta hey ke es ki poori zindagi talf ho rahi hey. Agar talf nahi bhi ho rahi to sakht khatrey mein hey. Yeh sab in dimaghi khaliyoон ki waja se hota hey jin mein shak ki bina per bohat tezi se toot phoot waqey ho rahi hey. Dimaghi khaliyoون ki tezi se toot phoot aur rado badal kadm kadm per es ke amali raaston mein rokawat peida karti hey, Amal be natija sabit hota hey aur asab ko nuksaan puhunchta hey.

Admi ka dimagh dar asal es ke ikhtiyar mein hey, who khaliyon ki toot phoot ko yakeen ki taaqat se kam aur ziyada kar sakhta

hey. Dimaghi khaliyoон kit tot phoot ki kamy se asaabi nuksaan ke emkanat, bohat hi kam hoja te hey.

Admi bhi eik janwer hey. Kisi tarhan sey us ney aag ka estemal seekh liya aur aag ke estemal se beltadrij elmo hunar ki boniyadein pareen. Kitab “Rang aur Roshni Se Elaaj” mein admi ke do peron per chalne ka wasf bayan kiya gaya hey. Hum ne eis kitab mein tashreeh ki hey ke heyvan aur insaan mein roshni ki takseem ka amal kin buniyadon per qaim hey aur takseem ke es amal se he admi aur heyvan ki zindagi allag allag hoti hey.

Tareekh mein koi aisa daur nahin aya jab admi chand fi hazar se ziyada sehet mand mojoodh raha ho. Darasal hona yeh chahiye tha ke who ziyada se ziyada roshni ki kimtoon roshni ki kismein aur roshniyon ka tarz e amal maloom karta lekin es ne kabhi es taraf tawajoh nahin ki, yeh cheez hamesha parday mein rahi. Admi ney es parday mein jhankney ki koshish es liye nahin ki ke ya to es ke samney roshniyoон ka parda mojoodh hi nahi tha ya os ne roshniyoون ke parday ki tarf tawajoh nahi ki, os ne who kaide maloom karney ki tarf khayaal hi nahi kiya jo roshniyoون ke khalat malat se taluk rakhtey hain. Agar admi yeh tarz e amal ikhtiyaar karta to es ke dimaghi khaliyoون ke toot phoot kam se kam ho sakti thee. Es halat mein woh ziyada se

ziyada yakeen ki taraf kadam uthata, fazool aqayed aur tauhum mein mubtala na hota. shakook aisey itna pareeshan na kartey jitna ke ab pareeshan kiye hooye hain aur es ki tehrikat mein jo amali rukawatein waqey hoti hain woh kam se kam hoteen. Lekin eisa nahi hoa. os ne roshniyon ki kesmein maloom nahni keyn na hi roshniyon ki tabiyat ka hal maloom karne ki koshish ki. Woh yeh bhi nahi janta ke roshniyan bhi tabiyat aur maahiyat rakhti hain aur roshniyon mein rojhaanaat bhi mojood hain. Usey yeh bhi ilm nahin ke roshniyaan hi es ki zindagi hain aur es ki hifazat karti hain. Woh to sirf matee ke putley se waqif hai. Us putley se jes ke ander apni koi zindagi mojood nahi hey jes ke liye Allah Talla ne farmaya ke “woh sari hoi mety se banaya gaya” aur doosri jaga yeh bhi irshad hey ke “woh mity banjy hey yani “khala” hey. ”

Allah talaa ne quran pak mein irshaad kiya hey: -

“Insaan na qabil e tazkara shey tha hum ne us ke ander apni rooh phoonk di. Pas yeh boolta, sonta, samajhta aur mehsoos karta insan ban gaya”.

Rooh ki taareef yeh hai ke woh amre rab hai. Amr ki bohat mukhtaser tashreeh yeh hey: -

Es ka amr yeh hai ke jab woh iraada karta hey kisi baat ka to kehta hey “ho” aur woh ho jati hey.

Yani insan rooh hey aur rooh amr e rab hey.

Allah ke eis irshad se na waqfiyat wehum aur shak ko barahti
hey natijey mein imaan aur yaqeen toot jatey hain,

Quran pak ney quom ko eik fard ki haisiyat di hey chonachey
es ke sath bhi yeh hi amal hota hey jo fard ke sath hota hey.
quom mein ager yaqeen ke neisbat shak ziyada ho jaye to yeh
amal do rukh ikhtiyaar kar lehta hey. Jab us ka rukh urooj ki
taraf hota hey to afaat samawi ke aaney ka ehtimal hota, hey aur
jab nazool ki taraf hota hai tu aafat e arzee aati hain. Jab afaat
asman se naazel hoti hain to bhiker ker poori quom ke zehan
aur asaab ko mutaaser kartey hain. In se bachney ki siwaye es ke
koi tarkeeb nahi ke quom ke yakeen ki rah eik ho. Allag allag
na ho. Yehi ambiya ka sabak hey. jab quom girohon mein
muntashir ho jati hey aur girohon ka yakeen mukhtalef hota hey
to shak zameen ki sathah per phel jata hey. Chonanchey seilab,
zalzala, wabbtein wagerah zahoor mein aati hain. Kabhi kabhi
khana jangi bhi hoti hey jes se quom aur afrad ka asaabi nizam
tabaah ho jata hey jo tarhan tarhan ki bimariyaan pehlney ka
moajab hota hey.

Amal aur aamel hazrat

Aamel hazrat kisi amal ki taqrar kar ke apne dimagh ko bar bar harkat detey hain. Yahan tak ke who iradey per kaboo paa letey hain. Mashq ke zariyey inki maharat jitni barhti hey esi kadr in ko qoowat e iradi ke zariyey kam leney mein asaani ho jati hey. es qism ke admi az-rooye jibillat bhi peida hotey hain. In ki tabiyat khood ba khood rohaniyat ki tarf maayel ho jati hey aur shiroo umar se in chezoon ko samjhey baghair bar bar eistemall karte hain. Pehley se innhey yeh ilm nahi hota ke hamarey ander yeh uftad e taba mojood hey balkey es qoowat ke bar bar estemal se jo who mehaz tafreehan kartey hain, kamyabi honey lagti hey aheista aheista un per yeh raaz munkashif ho jata hey ke khayal aur iradey se kam liya ja sakta hey.

Jab who es per amal karytey hain aur bar bar es ko doharatey hain aur nataeja hasb-e-dil khuwa peida hotey hain to who khud ko aamel samajhnay lagtey hain. Log bhi inhey AAMEL ke naam se pokartey hain.

Ijaazat aur ki taaweez

Har aamel ko beltaba es baat per yaqeen hota hey ke mein jesey qoowat baksh doongah who bhi meri tarhan aamel ho jaye ga.

Akser dekha gaya hey ke kisi aamel ne kisi ko apna amal baksh diya hey. jesey bakhshna hey os ki tabiyat bhi wohi ban jati hey jo aamel ki hey. Eik tabiyat ka dosri tabyat mein saraaiyat kar jana bhi admi ka nafsiyati khaasa hey. Asal amal to boht hi shaz hota hey albata bakshey hooye aamel kafi paye jatey hain. Bakshey hooye aamel hazraat ke yaqeen mein yeh baat rasikh ho jati hey ke ager hum aisa karein gey to aisa hi hogा. Hum yeh baat bata chukey hain ke kaamyabi madarij yaqeen ki qoowat per monhasir hai.

Eis kitab se faayeda othaney ke liye moaalij khuwa khud mareez ho ya kisi dosrey ka elaa� karey. Giyarah giyarah (11) maratbah awal o aakhir dorood shareef parhey aur eik martabah “بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ جَلَّ جَلَّ لَهُ Besmillah e al waseyo jalla jalla lahoo” parh kar haaton per dam kar ke teen bar haath chehrey per pherey. Ab meri taraf se es ko es kitab ke amaliyat ki ijazat hey. Taaweez khod estemal karney ya kisi doosrey ko likh ker deney ki soorat mein taaweez ki zakaat do rupey khairaat ker dein ya es mareez ko jis ko taaweez diya gaya hey yeh hidayat kar dein ke who taaweez ki zakaat do rupey khairat kar de.

Bismillah-er rehman-raheem

Asaib ka elaa�

Asaib eik aisa marz hey jo dimaagh se taluk rakhta hey eis ki ziyyada ter wajah yeh hoti hey ke khoon mein mithaas ki nisbat namaak ki miqdar barh jati hey.

Yeh khoon sarey jeism mein se dor kar ke jab dimagh ke do kharab khaliyoон mein gardish karta hey to dimaagh ke who khaliyey jo insaan ke ander shaoori hawas banatey hain who muntashir ho jatey hain. Natijey mein mareez kandhon per wazan mehsoos karney lagta hey aur eis ki nazroon ke samney aisi cheezein ya sortein aaney lagti hain jin ko yeh samajh nahi sakta aur na in ka apas mein rabta ya taluk qaim rakh sakta hey. Maslan yeh ke esey keisi aurat ya mard ka heyolaa nazr ata hey choonkey eis tarhan ghyeb mein dekh na eis ki aadat nahin hey es liye who khauf zada hojata hey aur aisi harkatein karney lagta hey jo shaoori hadood se baher hoti hain baaz auqat yeh taasur itna ghera hota hey ke shaoor mein taattol waqey ho jata hey aur eis ke hawas la-shaoori tehrikat ke taabey ho jate hain. Ab who koi baat zameen ki kehta hey koi asmaan ki kabhi behosh ho jata hey aur khod ba khod hosh mein ajata hey. Kabhi be baat hasta hey aur kabhi kisi wajah ke baghier roney lagta hey. Yeh bhi hota hey ke bathki hoyee roohain jin ki tabiyat mein takhreeb hoti hey marnay ke bad aisey logoon ki talaash mein rehti hain jo dimaghi aitbaar se kamzor hon aur jab inhey apni

takhreeb kari ke liye aisa shikar mil jata hey to woh eiske samney ajati hain eis ke shaoor ko moatal kar deti hey. Eis ka ilaaj yeh hey ke eik kaghaz per

يَامَهْلَأْيِل
يَاثْمَنَأْيِل
يَامِنَكَأْيِل
يَاجِنَأْيِل

Likh ker kaghaz ko mordh (fold) kar batee (role) bana lein. Eis mordey hooey kaghaz ko rooyee (cotton) mein lapeit lein. Rooyee (cotton) aur kaghaz ki bani hoi batee ko ghee ya zeytoon (olive) ke teil (oil) mein aisee jaga jalaein jahan se mareez tak doohaan (smoke) pohanch sake yeh amal raat ko sotey waqt karna chahiye. Sobha soorajh nikalney se pehley “kol aozoobo bil rabil falkh”. poori soraa parh ker eik piyaali pani per dam kar ke nihar monh (before breakfast) pilain. Do hafte tak namak bilkol na dein. Do hafte ke baad namak kam se kam miqdar mein eistamaal karain teen waqt khaalis shehed (pure honey) ka eistemaal bhi bohat zaroori hey.

Aafat e arzi o samawi se mehfooz rehney ka tareeqa.

Jab koi quom Allah Tallah ke banaye hooye kanoon se inheraaf karti hey aur khair o shar ko jantey bhoojtey kanoon shikni ki

murtakib hoti hey to eis ke andar yakeen ki qoowatein aur kam se kam ho jati hain. Jaisey jaisey yakeen kamzor parta hey eis ke aqaayed mein sokum waqey hota hey aur eis sokum ki wajah se koi quom tauhmaat mein mubtala ho jati hey. Tauhmaat ke ghalbey se insaan ke ander waswasey janam letey hain. In waswason ki wajah se eis ke ander hirso hawas eis qadr barh jati hey ke zindagi ka daar o madaar Allah Tallah ke bajaye wasaayl per reh jata hey. Yehi who marhala hey jahan se qomon ka zavaal shiroo hota hey aur qanoon e qudrat choonke aisee quomon ko bardasht nahi karta eis liye eis ke ooper afaate arzi o samawi naazil hoti hain. Iradah aur amal ke sath be yakeeni ko khatam karney ki koshish karni chahiye aur afaate arzi o samawi se mehfooz rehney ke liye 9 inch chorey (wide) aur 12 inch lambey (long) safaid art paper ke ooper siyah chamakhdar roshni se bohat khoobsorat likh ker ya likhwa ker yeh naqsah apne ghar mein aweizan karein.

يَا حَفِيظٌ يَا حَفِيظٌ يَا حَفِيظٌ

يَا بَدِيعُ الْعَجَابِ بِالْخَيْرِ يَا بَدِيعٌ

ager khuda na khuasta koi waba pehal gayee ho to yeh hi naqsh safaid cheeni ki teen (3) paleton per zafraan aur arq e gulaab se

likhen aur subah, shaam aur raat ko paani se doh ker sarey ghar waley piyein. Penney mein paani pakka ker eistemal kiya jaye.

eis arsey mein langot bandney ka intizam kiya jaye.

Eisteisqa

Jalhander-peit mein pani bhar jana

Dekhney mein ayaa hey ke eis mareez ka elaaj nahi hota albata
elopathy mein sooye (srinj) ke zareya peit se pani nikalna eik
tareeqa elaaj hey lekin kuch arse ke baad peit mein pani bhar
jata hey aur nikaal diya jata hey. Yeh koi mustaqil elaaj nahi hey.
Eis fakeer ne eisteiska ke kayee mareezoon ka elaaj kiya hey.
Allah tallah ke fazal-o-karam se mareez ko poori tarhan aur
mustaqil sehat naseeb ho jati hey.

Eik kaghaz per

Likh ker ba taur faleeta jala ker raat ko sotey waqt ya din mein
eik martabah dhooan lein.

Dosra kam yeh karna hey ke mareez zameen per chit leit jaye. Ankhey band kar ley aur dono hath sar pe rakhey. Teen (3) martabah munderja bala arbi ki ibarat parhey aur yeh tasawur karey ke peit ka pani roshni ban ker peiron ke zariyey zameen mein jazb ho raha hey. Yeh elaaus us waqt tak jari rakhna chaheye jab tak marz se kuli taur per nijaat hasil na ho jaye.

Aasab ki kamzory

Aasabi kamzori ki wojoohat bohat hain maslan mustaqil ulhajan. Bezari dimaghi kashakash, boht ziyadah dimaghi takkhan, neend ki kami, nizam hazam ka mustaqil kharab rehna, fazaa aur maahol ka taghayur, khoof aur dehshat, roohani iqdar se inheraaf, qannaat ka na hona, shak, waswasey aur adum tahafuz ka ehsas waghera waghera.

Sab se pehley yeh zarooryyey ke insaan apney ander qannat peida karey aur apney mamalat ko Allah Tallah per chorney ki aadat daaley. Allah Tallah per muamalat chorney se murad yeh nahin ke aadmi hath peir chor ker beth jaye. Sahi tarzee fikr yeh hai ke aadmi wazeefa e aaza poora karney ke baad natijah Allah Tallah ke ooper chor de aur bator elaaaj sirf eik ghoont pani per eik martaba

“Al razaat ama novil”

الرَّضَاعَةُ عَمَّا نَوِيْلُ

Agar ghar ka mahol pur sakoon na ho or maa, baap lartey jaghertey rahein tu bacheys bhi maa, baap ki aadat ikhtiyaar karletey hein. phir yeh aadat in mein pukhta ho jatee hey. Pehley behn bhai apas mein dasto gerebaan hotey hain aur phir maa, baap se larna shiroo kardetey hain. Kyon ke maaa, baap

mein zehni hum ahangee nahin hoti eis liye woh batoon ki aadat per chasham poshi ikhtiyaar kartey hain natijey mein bacheey ghustak ho ker nafarman ho jatey hain aisey maa, baap jin mein zehni hum ahangi hoti hey ya apney masail ki talkhi ko aoulad ke samney zahir nahin honey detey in ki aoulad maa, baap ki khidmat guzaar hoti hey. Beja laad pyaar ya baat be baat sakhti bhi batoon ko baghi bana deti hey. Yeh masala nihayat takleef dey hey Allah Tallah waldein ko eis se mahfooz rakhey. Aisi soorat e hall se dimaagh ko azad karney ke liye munderja naksh zafraan aur ark-e-gulab se likh ker mareez ke galey mein pehna di jaye ya bazoo per bandh diya jaye tu udaasi khatam ho jati hey.

Taoon (plague)

Yeh aisa marz hey jo aam taur se choohon (Rats) ke zariyey perwarish pata hey. Taaoon sab se pehley choohon mein taaoon berdaar pisooaun se phelti hey. phir yeh peisoo admiyoон per hamala aawer ho ker in taaoon ki waba pehla detey hain. Alaamat ke taur per keisi na keisi jaudr per gilti namoodar hoti hey aur bukhar shiroo ho jata hey. Gilti jitna zor karti hey utna hi bukhar badhta hey. Inteha yeh yeh ke bukhar eik soo aath 108digree tak pohunch jata hey mareez do din mein ya tesrey roz khatam ho jata hey. Bukhar ki halat mein jab izaafa hota hey to mareez behosh ho jata hey. Woh keisi ko na pehchanta hey aur na hi keisi se kuch baat karta hey. Kaanon mein jo awaz puhunchti hey woh eis ko sunai deti hey lekin yeh awaz bhi woh achi tarhan nahi sunta. Gilti ziayadah ter baghon ya chadhon se nikalti hey.

Taaoon ke keerey choohon ke biloon se eik foot baaher aa jatey hain aur adami ke peiron se chemat ker ooper ki taraf chimatna shiroo ker detey hain. Yahan tak who chadhon aur bagloon tak puhunch jatey hey. In keeron ki margoob ghiza chadhon aur bagloon ka ghosht hota hei. Yeh eis shidat mein phelta hey ke ager eik mint. mein in ki taadad eik lakh hey to 2 minut mein in ki taadad dus lakh ho jati hey. Elaaj yeh hey:-

Aqeedah kharab hona

Aqeedah jab kharab ho jata hey to insaan ke dimagh mein aisey waswasey aur khayalaat aaney lagtey hain jin mein khuda, rasool aur mazhab se bezaari payee jati hey aur yeh bezaari ghair ikhtiyaari hoti hey. Aqeedey ki kharabi aur zameer ki malaamat se nazer na aaney wala eik mutaffan phaura eis ke baaten mein peida ho jata hey jeis ki waja se who itna be chain rehta hey ke eis ki meisaal bari se bari bimaari mein bhi nahi milti. Aurton ke amraaz

Hamal zaaya hona aur batoon ka peida hotey hi mar jana.

Maa ke pate mein bachey ki saheeh nashonuma hona ya bachey ka peida hotey hi mar jana. In halaat ki waja maa ke dimaagh mein in khalyoon ki kamzori hoti hey jo bachey ki takhleek mein kam kartey hain. Maa ke dimaagh mein kamzauri ki waja ziyadah ter zehni pecheedhgee lekoriya ghar ka na khushgawar maahol hota hey. Dauran hamal taze, ghalat aur ziyadah dawaaoon ke eistemaal se bhi yeh soorat peida ho jati hey.

In sab eisbab ke tadarukh ke sath sath UM AS SUBIYAAN ﴿الصَّيْن﴾ (eis ka bayan kitaab ke shiroo mein aa chuka hey) wala taaweez zard rang ke chikney kaghaz per likh ker bilkol ibtadai daur mein maa ko apney galey mein pehnlena chahiye aur her jomairaat ko sham ke waqt kaprey ke khol se nikaley baghair taaweez ko luban ki dhooni deni chahiye. Wilaadat ke baad yeh taaweez maa apney galey se utaar ker bachey ke galey mein daal pehna dey.

Aulaad na hona (bhanjpan)

Aulaad na honey ke beshumaar asbaab hotey hain. Maslaan yeh ke aurat ke androoni nizam mein marz waqey ho jaye ya mard ke ander aulaad ke jersoomey na hon. Ager mard aur aurat donon ki sehet theek hey aur eistikraar hamal nahi hota to

quran pak ki in ayatoon ki barkat se INSHA ALLAH maa ki gaud bhar jati hey.

Ayyam ki be tarbiyat

Ayyam ki be tarbiyati se aurton mein bohat se amraaz peida ho jatey hain. Nalon mein dhukan ho jati hey, pate barda ho jata hey aur mukararah ayyam se pehley shadeed dard ki khehfifiat se do chaar hona parta hey. Yeh bhi dekha gaya hey ke ager ayyam saheeh waqt aur poori muddat tak na ho to aurton ke chehrey per baal nikal aatey hain. Be tarbiyati ki shikayat ager pooranni ho jaye aur mareez ki hesiyat ikhtiyaar ker ley to reham mein wararm aa jata hey jeis ki waja se aurtein tauleed ke kabil nahi rehtein. Eis ka aser rang o roop per bhi parta hey aur jeism phoolna shiroo ho jata hey. Khoon galeez aur garaha ho sakhta hey aur dard aur aaza shikni ka arzoo bhi la haq ho sakti hey. Ager “nizaam-e-ayyam” aheista aheista kam ho ker umer

se pehley bilkol band ho jaye to aurton ke ander mardana khososiyaat peida hotey hoyey bhi dekhee gayee.

Jeis tarhan khana khanay aur pani peeney ke baad fitry toaur per bol o baraz ka hona zaroorat hey eisi tarhan “mahwaari”bhi aurton ki sehet ke liye lazmi hey. Eis ke liye eik taaweez likha ja raha hey. Eis taaweez mein beismillah shareef likhna mana hey.

Ayyam ki be tarbiyatti mein ager kamar mein dard ho to yeh taaweez pusht per eis tarhan bandhein ke taaweez reerh ki hadi ke aakhri jaur se choota hey. Nalon mein dukhan ho to yeh taaweez naaf ke ooper bandhein.

(note:taaweez ko dhagey mein bandha jaye jeis ka rang beganni ya jamni ho. Kaprda ya keisi keism ki patti eistemaal na ki jaye)

Nahaney ki zaraoot ya rafa e hajat ke waqt bhi yeh taaweez jeism se alag na karein. Taaweez ko mom jama ker liya jaye takey pani parhney se taaweez ke ooper likhey howey naksh kharab na hoon. Taaweez yeh hai.

Wazaey hamal ke baad pate ka bardhna.

Akser dekha gaya hey ke ager bachey ki peidayesh ke baad pate ki saheeh dekh baal na ki jaye to pate bardh jata hey. Eis ke liye

Wazaa e hamal ke baad chilley ke dauraan khwaateen mukhtalif takaalif se do chaar ho jati hain ya ho sakti hey.

In se qatayee taur per mehfooz rehney ke liye munderja bala naksh zard rang se keisi momi kaghaz per likh ker gandey mein bandh lein gandey bananey ka tareeqa yeh hey. Kuch neeley dhagey ke 11giyarah taar lein aur aurat ke kad se naap lein. Eis ko dohra ya tehra ker ke itna ker lein ke 11giyarah 11girhaan lagney ke baad galey mein asaani se pehnaya ja sakey. Bachey ki peidaeish mein asani

Munder ja bala naksh momi kaghaz per likh ker peidayeeshi ke waqt hamalah ki seedhi raan mein bandhein Insha Allah wiladat aasani se hogi.

EHTIYAAT:-Yeh taaweez eis waqt tak raan mein na bandha jaye jab tak wiladat ke aasaar shiroo na hon kyon ke tajerbey mein yeh baat aaye hey ke ager asaar shiroo na hon aur taaweez bandh diya jaye to wiladat kabal az waqat ho jati hey. Kabal az waqt peidaeish se bacheys per bura aser parta hey.

Chehrey aur jeism per zaayed baal

Allah Tallah ne quran-e-pak mein irshaad kiya hey ke hum ne her cheez ko moayan miqdaron ke sath takhleek kiya hey. Aurat aur mardon mein yeh moayan miqdarein hi infaradiyat qayem rakhti hain.

Insaan ke ander khoon daur karta rehta hey, hawa, roshni aur cosmic rays ke zariyey zeher ki eik kaseer miqdaar (Jeis per insaan ki zindagi ke qayaam ka inhesaar hey.)Insaan ke ander dakhil hoti rehti hain. Yeh zeher musaamat ke zariye paseeney aur baloon ki shakal mein kharij hota rehta hey. Yeh hi waja hey ke baal in heison per ziyadah hotey hain. Jeis jaga khoon ka dabao nisbatan ziyadah hota hey. Mardon ke chehrey per darhi hoti hey lekin aurton ke chehrey per ball nahin hotey. Eis ki waja yeh hey ke aurton mein khoon ka zehereela aser eik makhsoos nizaam ke tehet her mah kharij hota rehta hey. Ager eis mahana nizam e safai mein khalal ya kami waqey ho jaye to khalal ya kami ki munasibat se aurton ke chehrey per baal nikal aatey hain. Eis ke liye zaroory hey ke mahaana nizam ko bahaal rakha jaye.

Cancer ya sartaan

Cancer khoon ko nuksaan puhunchaney wala eik marz hey. Eis ki wajoohaat mein chand wajhoo yeh hain.

Koi insaan jab eik, do ya chand khayalaat mein khod ko giraftaar ker leta hey. To who barki ro jo khayalaat ke zariye banti hey, zehreeli ho jati hey. Yeh zehreeli row choonkey khoon ke ander bhi zeher peida ker deti hey eis liye eis row ke adum tawazon ki bina per khoon mein khord been se bhi nazr na aney waley virus ban jatey hain. Yeh keerey keisi eik jaga ghar bana letey hain. Woh barki row jo zindagi ke masruf mein ani chahiye in keeroon ki khuraak ban jati hey. Nateejey mein khuraak ka choutey se chotta zarah jo barki row ke sath khoon mein dur karta hey bajaye faaidey ke nuksaan puhunchata hey. In keeroon ki khuraak khoon ke woh zaraat hotey hain jo surkh zaraat ya RBC keihlatey hain. Rafta rafta mareez ke ander surkh zaraat khatam ho ker safiade zarraat ki kasrat ho jati hey aur yeh jeism ke liye kabil-e-kabool nahin rehtey. Chunachey yeh safaid zarraat luaab ya balgham ban ker khaarij honey lagtey hain aur itnee miqdaar mein khaarij hotey hain ke aadmi bilaakhir hadiyoон ka dhanchaa ban ker maut ke moonh mein chala jata hey.

Cancer ki doosri keism yeh bhi hey ke zehreely zarraat eik jaga jama ho jatey hain. In ke jama honey se woh ragein gal jati hain jo eis zakheerey ke kareeb hoti hain. Nateejey mein khoon

nizaam mein eik bohat khlaa waqey ho jata hey aur eis se maut waqey ho jati hey.

Yeh to hooey cancer ke mazharaat ya zahiri alamaat. Ab suneeye ke ilm e roohani ke roo se cancer eik aisa marz hey jo shareef alnafs aur ba ikhtiaar hey, sunta hey aur hawaas rakhta hey. Ager eis se dosti ker li jaye aur kabhi kabhi tanhayee mein ba shartey ke mareez gehri neend so raha ho, us ki khoshamad ki jaye aur yeh kaha jaye “miyaa cancer! Tum achey ho, bohat meherbaan ho. Yeh aadmi bohat pareshaan hey. eisey maaf kerdo, Allah Tallah eis ki jaza dey ga”. To cancer mareez ko chaurh deta hey aur dost daary ka saboot deta hey.

Alawah azeeen surkh rang mein jo barki row daurti hey wohi cancer ki khuraak hoti hain. Eis liye khoon ke surk zaraat ke ander daurd karney waley barki row cancer ki khaurak ban jati hey aur cancer ka mareez zindagi ko qaim rakhney wali barki row se mehroom ho ker khatam ho jata hey. Jo ke khoon mein daur karney wali surk barki row hi cancer ki khauraak banti hey eis liye eis baat ka ehtimaam kiya jaye ke mareez ke mahool ko poori tarhan surkh ker diya jaaye. Maslaan jeis kamrey mein mareez ka kayaam hey eis kamrey ki diwaarein, derwazey aur khirkiyoon ke pardey, palang ki chaaderein, takiyeh ke ghilaaf hata ke mareez ke pehenney waley kaprdey sab surkh ker diye jaein. Eis ke saath saath khaney ka surkh rang pani mein ghoul ker roshniyaan banalein. Eis roshniyoон se
